

Fall 2024 Online Auction November 2 - 24

Item Donation Intake Form

Thank you so much for your interest in donating to our Fall 2024 online auction! Your contributions are greatly appreciated. If possible, please use our online auction form at <https://forms.gle/mJ8a7CRLxG3ahCA66>. If you are unable to fill out the online form, please use this form. The completed form can be emailed to fundraising@9livesrescue.org along with your business logo and any other relevant marketing materials attached.

All donations for the auction must be received (intake form completed and donation in-hand) by 10/2/2024. This allows our team the proper amount of time to get each donation entered into our online auction system. If you have missed this deadline, please reach out to your 9 Lives point of contact to see if we can still accommodate your donation.

As a reminder, the fall auction dates are November 2nd–November 24. You can follow along on our Facebook page for updates and the link to our auction site to view listings and make bids once it's live. You can also visit our website at <https://www.9livesrescue.org> to learn more about our mission and stay updated on future events.

If you are submitting multiple items or multiples of an item, each of your auction items will have a separate auction item listing, where we can include your website, social pages, and your logo. Please help us do a good job promoting your business!
